The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF WEED ABATEMENT CONTRACTS FOR TRACTOR AND HAND
REMOVAL OF WEEDS, BRUSH, AND POISON OAK FOR FISCAL YEAR 2009-2010
(ALL DISTRICTS) (3-VOTES)**

SUBJECT

The Agricultural Commissioner/Weights and Measures Department (ACWM) provides essential fire prevention services throughout much of the County. A significant amount of the work is performed by vendors providing weed abatement services with hand crews, tractors and specialized power equipment. ACWM is recommending that the Board approve the award of contracts to the vendors specified herein.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Agricultural Commissioner/Director of Weights and Measures to sign contracts, similar to the attached, with Ag Pro's Weed Control, Inc., Javadi Farm Labor, Inc., Nature's Image, Inc., and Powerland Equipment, Inc. for a maximum obligation of \$255,333.75 at no County cost. The contracts are effective commencing July 1, 2009 through June 30, 2010, with two (2) one-year renewal options and six (6) month-to-month extensions.
2. Authorize the Agricultural Commissioner/Director of Weights and Measures to amend the contracts in a maximum amount not to exceed 15 percent of the original, individual 2009-10 contract amounts, at no County cost, subject to review and approval by County Counsel and the Chief Executive Office and notification to Board offices.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the above action is to enable ACWM to continue providing essential fire prevention services throughout the unincorporated areas and 68 cities in Los Angeles County.

The success of the Weed Abatement Program depends on the timely abatement of hazardous fire conditions. An integral part of the annual program is the use of hand crews, tractors, and specialized power equipment which are furnished under contract by private vendors. For many years, your Board has approved similar contracts for the Department's Weed Abatement Program.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goals of:

- Goal 1 (Operational Effectiveness): The use of vendors allows ACWM to respond quickly and efficiently to the highly seasonal workload inherent in hazardous weed and brush removal. In addition, the assistance provided by vendors for certain routine weed and brush clearing operations allows ACWM personnel to effectively respond to more challenging situations.
- Goal 3 (Community and Municipal Services): The timely removal of hazardous weeds and brush improves the quality of life for the residents throughout much of Los Angeles County including the many unincorporated communities.
- Goal 5 (Public Safety): Timely removal of hazardous weeds and brush helps to protect the lives and property of many of the residents living in areas covered by ACWM's Weed Abatement Program.

FISCAL IMPACT/FINANCING

There is no net County cost. The cost of the program is 100 percent recoverable through property tax liens and direct charges.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Unusual or unanticipated weather conditions and accompanying weed growth may require increased vendor utilization. Therefore, we request that your Board delegate authority to the Agricultural Commissioner/Director of Weights and Measures to make amendments to the contracts not to exceed 15 percent of the original, individual 2009-10 contract amounts. The services to be provided under these contracts are of a highly

seasonal, intermittent nature and therefore do not qualify as Proposition A contracts pursuant to County Code 2.121.250. The Department has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended agreements.

The contracts contain the County's standard provisions regarding contractor obligations and are in compliance with all Board and CEO requirements.

The contracts have been reviewed by County Counsel and are approved as to form.

CONTRACTING PROCESS

ACWM commenced solicitation for weed abatement services by mailing a notice to 144 potential vendors. The vendor mailing list was generated using vendors known to ACWM or whose advertisements appearing in local Yellow Pages listed the type of work ACWM was soliciting. Potential vendors who had previously contacted ACWM directly expressing an interest in ACWM weed abatement work were included on the list as well. The list was then checked against the 2008, *Los Angeles County, Local Small Business Enterprise, Yellow Pages*. The Request for Proposals (RFP) solicitation was posted on the County of Los Angeles "Doing Business with Us" website. The RFP was also posted on ACWM's website.

On February 19, 2009, representatives from 39 companies attended the Proposers' Conference. Twenty-two (22) proposers submitted proposals for seven (7) separate items in response to this solicitation. Fourteen (14) tractor proposals from eight (8) proposers and 50 handwork proposals from 13 proposers or a total of 64 responsive proposals were evaluated by an evaluation committee comprised of three (3) ACWM staff with no current association with the Weed Abatement Program and rated according to qualifications, equipment/personnel and cost. Of the proposals received, Ag Pro's Weed Control, Inc., Javadi Farm Labor, Inc., Nature's Image, Inc., and Powerland Equipment, Inc., were rated as the highest scoring and most cost-effective proposers to perform the weed abatement services.

Informed Averaging was the scoring method used. All of the scoring and evaluation documents were retained.

Nine (9) vendors requested debriefings after they had been notified that another vendor was being recommended for contract award. None elected to pursue any further stages of the protest process.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended Board action will support the current level of program services for the fiscal year 2009-10, with two (2) one-year renewal options and six (6) month-to-month extensions.

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as *Exhibit H* and incorporated by reference into and made a part of this Contract.

8.7.2 Written Employee Jury Service Policy.

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days

- of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
 3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
 4. Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the

award of future County contracts for a period of time consistent with the seriousness of the breach.

8.8 CONFLICT OF INTEREST

If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

8.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

The Agricultural Commissioner or his/her designee shall have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.30 PUBLIC RECORDS ACT

8.30.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is

required by law, or by an order issued by a court of competent jurisdiction.

- 8.30.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.31 RECYCLED BOND PAPER

- A description of the work to be performed by the Subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.32.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.
- 8.32.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.32.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.33 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to sub-paragraph 8.35 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.34 TERMINATION FOR CONVENIENCE

- 8.34.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

- 8.34.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:
- Stop work under this Contract on the date and to the extent specified in such notice, and
 - Complete performance of such part of the work as shall not have been terminated by such notice.
- 8.34.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor.

8.35 TERMINATION FOR DEFAULT

- 8.35.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:
- Contractor has materially breached this Contract; or
 - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
 - Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.
- 8.35.2 In the event that the County terminates this Contract in whole or in part as provided in sub-paragraph 8.35.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.
- 8.35.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.35.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused

by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.35.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.35.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.35, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.35, or that the default was excusable under the provisions of sub-paragraph 8.35.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.35 - Termination for Convenience.

8.35.5 The rights and remedies of the County provided in this sub-paragraph 8.35 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.36 TERMINATION FOR IMPROPER CONSIDERATION

8.36.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.36.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.36.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.37 TERMINATION FOR INSOLVENCY

- 8.37.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
 - The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 - The appointment of a Receiver or Trustee for the Contractor; or
 - The execution by the Contractor of a general assignment for the benefit of creditors.
- 8.37.2 The rights and remedies of the County provided in this subparagraph 8.37 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.38 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.39 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.40 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.41 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.41 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

STATEMENT OF WORK

1.1 General Specifications for All Classes of Work

1.1.1 Errors and Omissions

The Contractor will not be allowed to take advantage of any error or omission in these Specifications. Such errors or omissions should be brought to the immediate attention of the Department. Full instructions will be given when such error or omission is discovered.

1.1.2 Examination of Plan, Conditions

The Contractor must make a careful examination and fully inform himself or herself as to the character of work required, distance from his or her headquarters, and the geographical terrain in the zone/cluster where the work is assigned. The County will in no case be responsible for any loss or any unanticipated cost that may be suffered by the Contractor as a result of the Contractor's failure to fully inform himself or herself in regard to all conditions pertaining to the work.

1.1.3 Seasonality of Workload

It is unlikely that the work will be spread out evenly over the contract period. In many cases, there is a heavy seasonal peak in the workload. The Contractor must consider the time frame when equipment or human resources must be available to do the work.

1.1.4 Property to be Cleared

All or part of separate parcels of land shall be designated by the Commissioner or his authorized representative. Weeds, brush and/or rubbish existing upon or in front of said parcels, unless they have been removed or partially removed by the property owner prior to the arrival of the Contractor, shall be cleared according to instructions and/or maps provided by the Department.

1.1.5 Laws and Policies to be Observed

(a) The Contractor shall keep himself or herself fully informed of all existing federal, state, county, or local laws, regulations and municipal ordinances, including the Vehicle Code, which may in any manner affect the work or which may in any way affect the conduct of the work, and of all such orders and decrees of bodies, or tribunals having any jurisdiction or authority over the same. Contractors are responsible for obtaining permits or licenses from city or county authorities including when weight or width requirements are exceeded on streets, roads, highways, etc.

(b) The Contractor shall at all times, himself or herself, observe and comply with, and shall cause all his or her agents and employees to observe and comply with all such existing and future safety requirements, laws, ordinances, regulations, orders, and decrees; and shall protect, indemnify and hold harmless the County and all of its officers, agents, or servants against any claim or liability arising from or based upon the violation of any such law, ordinance, regulation, order, or decree, whether by himself or herself or his or her employees.

(c) Contractor shall at all times enforce strict discipline and good order among his or her employees and shall not employ or work unfit persons or anyone not skilled in the operation of equipment and work assigned.

(d) Any person in the employ of the Contractor, whom the Department may deem incompetent or unfit, shall be dismissed from work, and shall not again be employed for Department work except with written consent from the Department.

(e) The Contractor shall procure all permits and licenses, and pay all charges and fees, incidental to the due and lawful performance of the work.

1.1.6 Authority of Zone Inspector

The Zone Inspector, with input from his or her field supervisor, shall evaluate the quality of the work performed, and the rate of progress of the work.

1.1.7 Removal of Weeds

(a) Work shall be performed on a continuous basis on all parcels specified. For square-foot and acreage contracts, work should be completed within fourteen (14) calendar days of assigned starting date. If not completed by that time, the work may be given to a different Contractor, or completed by the County.

(b) Weed growth shall be removed as close to fences, hedges, trees and structures as is practical to work equipment without causing damage to said fences, hedges, trees and structures.

(c) Parkways in excess of 10 feet in width when cleared by the Contractor shall be compensated for as a separate operation.

(d) Discing performed under the hourly contract shall meet or exceed the established Work Standard for each parcel unless approved by the Zone Inspector.

(e) Abatement activities shall be performed in such a manner that inconvenience to adjacent residents shall be minimized.

(f) Dust shall be kept to a minimum whenever possible. If the Contractor is not able to adequately control the dust conditions, the Zone Inspector may terminate the abatement activity.

(g) Upon mutual agreement of the Contractor and the Commissioner, a Contractor may be asked to work his or her equipment in a zone/cluster other than that designated in the contract award. The Contractor will be compensated at the rate existing in the zone/cluster for which he or she has received a specific award or at the rate established in the zone/cluster to which he or she is asked to move this equipment. If the County feels that these rates are not in the best interest of the County, it may set a rate which is mutually agreed upon in writing between the County and the Contractor.

(h) The County reserves the right to utilize other contracts in connection with this work. Contractor shall afford other contractors reasonable opportunity for execution of their work and shall properly coordinate his or her work with other Contractors as requested by the Department.

(i) All contracts shall be completed by the date specified. Starting dates may be changed at the discretion of the Zone Inspector. Adequate deadline allowances will be made for postponements. Satisfactory quantity and/or quality of work is to be the judgment of the Department representative.

1.1.8 Workload Estimate

The total hours or units of a specific contract are an estimate of the anticipated workload. This estimate is not to be taken in any sense as a guarantee of minimum quantities of work available to the Contractor. The County will not be responsible for any error occurring in the estimates.

1.1.9 Care of Property

The Contractor shall take reasonable precautions to not disturb temporary and/or permanent property (i.e. survey stakes, signs, sign posts, gates and fencing) while performing the abatement activities. Care shall be taken to avoid damage to public and public roadways, driveways, sidewalks and curbing. Fences, gates, etc., removed by the Contractor to gain access to a property shall be returned to the same condition as originally found.

1.1.10 Damage

- (a) All damage to public or private property arising from a contractor clearing operation shall be the responsibility of the Contractor.
- (b) It shall be the responsibility of the Contractor to investigate all damage complaints and make satisfactory settlement in those cases where actual damage has occurred.
- (c) The procedure for handling damage complaints shall be as follows:
 - 1) Upon receipt of a damage complaint, the County will send two (2) copies to the Contractor, one (1) for the Contractor's file and one (1) to be signed by the property owner, after settlement has been made and then returned to the Weed Abatement Division. This shall be completed within 30 days after postmark.
 - 2) If the Contractor fails to take corrective action on a damage complaint within the 30 days, the County will send two (2) copies of the complaint directly to the insurance carrier of the Contractor involved, one (1) copy to be signed as a release and returned to the Weed Abatement Division within 60 days after postmark.
 - 3) If the damage complaint goes unresolved for more than 100 days by both the Contractor and/or the respective insurance carrier, the County may use the Surety deposit to settle such claims.
 - 4) Failure to resolve property owner claims as herein described may result in contract termination and disqualification from future proposals.

1.1.11 Payment

- a) The County's obligation is payable only and solely from funds appropriated for the purpose of this Agreement.
- b) Report periods shall be twice monthly, from the 1st of each month to the 15th inclusive, and from the 16th to the 31st inclusive.
- c) The County will pay Contractors within thirty (30) days of receipt of invoice based on the equipment or labor time report.

- d) If any discrepancies exist between the invoice and the Department's records, the determination of the Department will be final.
- e) For all hourly work, Contractors shall prepare an equipment time report using a form provided indicating the hours worked each day of the pay period. At the end of the pay period, a copy shall be provided to the Weed Abatement Division.
- f) For all square-foot or acreage contracts, a report shall be prepared by the Zone Inspector in advance of the work and turned over to the Contractor along with copies of the Assessor mapbooks or other work reports. The Contractor uses the report as a work list, completes all necessary clearance, and then returns completed reports and mapbooks to the Zone Inspector (see *Exhibit E – County's Administration*). Each square-foot or acreage report along with the mapbook provided shall be completed and returned to each of the respective zones no later than fourteen calendar days after receipt of mapbooks.
- g) The Zone Inspector will verify the reported parcel clearances and return one copy of the report to the Contractor. It will be the responsibility of the Contractor to furnish such supervision as is necessary to complete the paperwork and the scheduled field operations.
- h) Should a controversy arise as to the reported number of parcels, the amount of work done, or the size of the parcels cleared by the Contractor or Contractor, the Zone Inspector shall investigate any discrepancies and make the final determination.
- i) For hourly contracts, the County may ask the Contractor to work his or her equipment and personnel more than 40 hours in a week. In this case, the County will pay the Contractor an overtime rate to cover the additional cost of the equipment operator's overtime wages. This does not pertain to equipment transport from equipment yard to initial jobsite and transport from last job to equipment yard.
 - 1) All overtime work must be approved by the Zone Inspector.
 - 2) The Contractor may be asked to provide satisfactory proof of the equipment operator's hourly pay to justify the overtime rate.

1.1.12 Work Schedule

- a) Unless otherwise and specifically authorized, paid time under hourly contracts will begin when work is started under direct supervision of Weed Abatement Division personnel. All reasonable travel time during working day from one work site to another will be considered as working time.
- b) The County reserves the right to cancel or terminate any or all contracts in any zone/cluster at any time due to lack of work.
- c) No specified number of hours will be guaranteed on a Contractor call out, however each Zone Inspector will attempt to provide at least four (4) hours of work.

1.2 **General Specifications Specific to Weed and Brush Handwork Contracts**

1.2.1 Property to be Cleared

- a) All or part of separate parcels of land shall be designated by the Commissioner or his authorized representative. Work shall be performed on a continuous basis on all parcels specified. All work should be completed within fourteen (14) calendar days of assigned starting date. If work is not completed by that time, the work may be turned over to a different Contractor, completed by the County, or may result in a termination of the contract and a forfeiture of the Surety bond. Extensions to the completion timeframe may be granted by the Zone inspector on a case-by-case basis.

1.2.6 Properties Cleared by Their Owners

Upon arrival of the Contractor's hand crew, if the parcel is found to be in any stage of clearance or regrowth, the Contractor shall not do any work until approved by the Zone Inspector. The Contractor should mark "partial clearance" on his or her work sheet not CBO (cleared by owner symbol). If the Contractor indicates that work was done on a parcel, when in fact it was done by the owner, an investigation will be conducted and appropriate action taken.

Normal clearance requirements from a structure are 30 feet to mineral earth with the remaining 70 to 130 feet cut to 3 inches.

(b) Unless otherwise approved by the Zone Inspector, all cut material, branches, leaves duff, tumbleweeds, etc., must be mulched on-site or removed by truck to an authorized dump site. This removal must be completed within 48 hours and in no case shall any of the material be left on the lot over a weekend. All dump fees will be paid by Contractor. For the purposes of this section, weeds can be "mulched" using weed eaters.

(c) With Zone Inspector approval, specimen native shrubs and brush may be allowed to remain throughout the area from 30 feet to 200 feet from a structure if spaced at a distance equal to three (3) times their diameter, but, in no event closer than 18 feet from other native shrub and brush, or structures.

(d) If erosion resulting from the scheduled clearing activities is a concern, the Contractor should contact the Zone Inspector for further instructions.

(e) For Brush Contracts, the Contractor may be requested to limb up trees, brush and shrubs up to 6 feet or 1/3 of their height, whichever is less. Leaving stubs resulting from cut branches shall be avoided.

2.0 HANDWORK CONTRACT

2.1 Weed Handwork - Zone 3

2.1.1 Description of the Work

This contract is for clearing/cutting of weeds using hand-held equipment like weedeaters, rakes and leaf blowers in designated areas of Weed Abatement Zone 3. "Weeds" when used in this context means plant growth comprised mostly of annual weeds but may also include light, scattered brush in concentrations of up to 25%.

2.1.2 The Area

This contract is for Weed Abatement Zone 3 which encompasses much of the northeast part of urbanized Los Angeles County. The majority of clearance work can be expected in places like Claremont, Diamond Bar, Pomona, Walnut, La Verne, Glendora and San Dimas. Throughout the remaining areas of the Zone, sparse clearance work can be expected. (see *RFP; APPENDIX B, Weed Abatement Zones Map and Weed Abatement Zones*)

Most of the areas covered by this contract are very hazardous fire areas in the County and timely weed and brush abatement is critical.

2.1.3 What to expect

Most weed clearance work will be done on steep hillsides throughout the zone with some parcels potentially having a high volume of seasonal weed growth (mustard, fennel/anise, and various thistles, including milk thistle, etc., see *RFP; APPENDIX B, Exhibit 9*). Steep terrain and limited access may be encountered in some areas. Job sites may not be contiguous and require substantial travel time. In most cases, work will be performed without direct supervision from County personnel. Contractor may find that some of the assigned work has already have been done by property owners. It can be very hot in this Zone during the summer.

2.1.4 Time period

Work can be requested at any time during the year but expect heavy requests for work during the period of May 1 through August 30.

2.1.5 Amount of Work

The amount of work estimated for Fiscal Year 2009-2010 is: 25,000 Units.

A "unit" is 100 square feet. Due to weather conditions and other factors beyond the control of the County, there is no minimum guaranteed amount of work.

2.1.6 Contract pricing

The price is per "Unit" to cut and remove weeds.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The Board of Supervisors makes the following findings. The County of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

UCLA Medical Center, Harbor-UCLA Medical Center, 10077 Wilshire Blvd.
Los Angeles, CA 90024

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.
